CITY AND COUNTY OF SAN FRANCISCO
REAL ESTATE DIVISION

July 1, 2003

To the Honorable Mayor, Supervisors,
Controller, and the City Administrator of the
City and County of San Francisco:

REAL PROPERTY OWNED BY THE CITY AND COUNTY OF SAN FRANCISCO

Pursuant to the Administrative Code, I have prepared and transmit herewith a report of property owned by the City and County of San Francisco, the Community College District, and by the San Francisco Unified School District.*

The information contained in this summary report has been derived from data residing in the Real Estate Information System (REIS). The Real Estate Information System is currently being developed and is only being used by some city departments. In the near future, an active web version of REIS may be available to the public. At this time, however; similar information contained in this report can be found on the Real Estate Division's web page at www.sfgov.org.

All real properties owned by the City are situated in San Francisco or in other counties in the State of California, as follows:

- Hetch Hetchy in Tuolumne, Stanislaus, San Joaquin, Alameda and San Mateo Counties.
- Water Department in Alameda, Santa Clara and San Mateo Counties.
- San Francisco International Airport, Sharp Park, Log Cabin Ranch School and County Jail in San Mateo County.
- Park and Library lands in Fresno and Kern Counties (Fuhrman Bequest).

Each year the Real Estate Division will complete approximately 150 projects on behalf of various departments. Several significant projects completed during the last year are detailed on the next few pages.

Respectfully submitted,

Steve Legnitto

Steve Legnitto
Acting Director of Property

*NOTES:

Properties under the jurisdiction of the Port Commission do not include dedicated street areas, and the values shown are those carried on Port Commission inventory.

Areas under jurisdiction of the Department of Public Works do not include dedicated street areas in the City and County.

The College District and School District properties are based on historical records and may not reflect the current status.

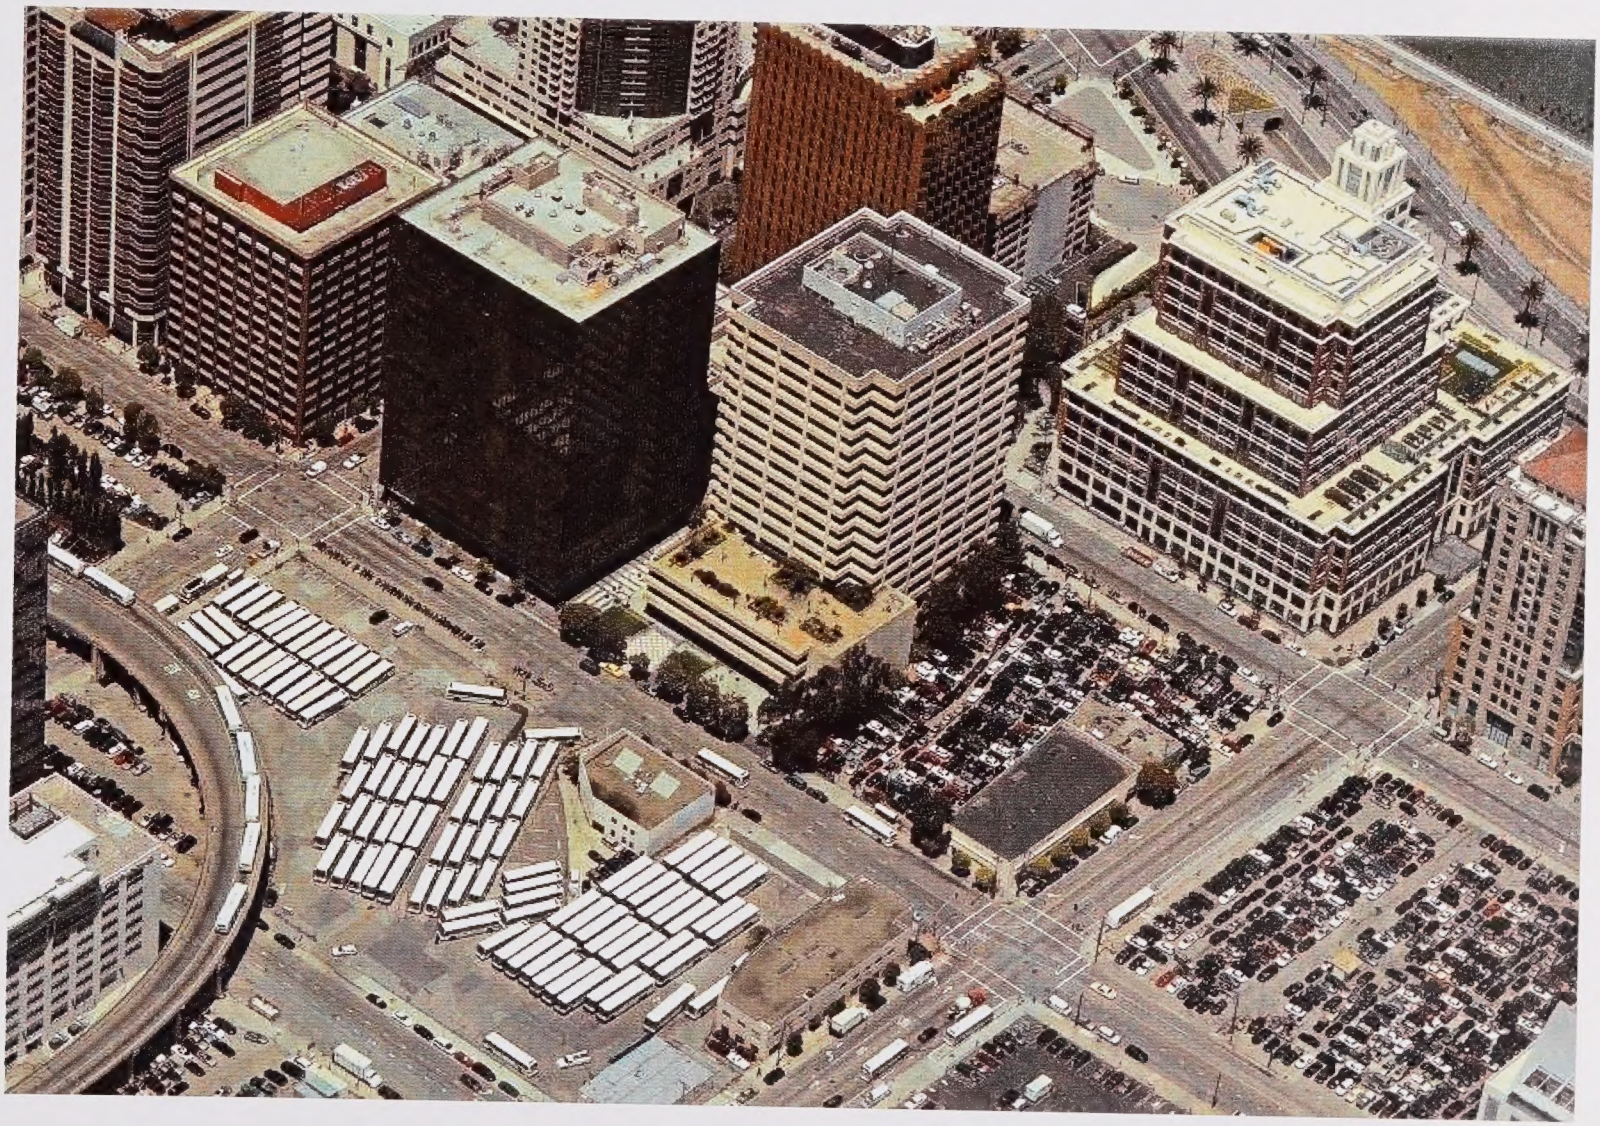
The property book does not yet reflect the Mission Bay Land exchanges between City, Port, State and Catellus Development Corporation.

190 9th Street Library Acquisition: Block 3509, Lot 8A: In November 2000, San Francisco voters passed Proposition A, a General Obligation Bond Measure to improve the San Francisco Public Library system. In addition to other projects, Proposition A included funds for relocating the Library's Technical Services Division from the Main Library in order to convert some office space into additional book and public service areas.

On November 15, 2002, the Real Estate Division purchased 190 9th Street for use by the Library's Technical Services Division. 190 9th Street is a 3 story concrete and steel building, which was completely renovated in 1999/2000 (including seismic retrofitting). The building consists of approximately 42,292 sq.ft on 17,000 sq.ft. of land. Three sides of the building has windows that allow natural light to fill the space. HVAC, operable windows, and other quality improvements were completed prior to the City's purchase. The property also includes parking spaces along Washburn Street, which will provide the Library with necessary space for truck loading and delivery facilities. Approximately 85 work stations were included in the transaction and saved the City substantial costs on furniture and moving expenses. The total purchase price for both the Real and Personal Property was $8,560,000.

Sale of Central Freeway Parcel D to Giannini Family Trust: On May 16, 2003, the City closed escrow on the sale of Central Freeway Parcel D, an irregular shaped, 10,937 sq.ft. vacant parcel located near the northwest corner of Franklin and McAllister Streets, to the Giannini Family Trust for $1,100,000. The Trust owns the adjacent property located at the northwest corner of Franklin and McAllister Streets and intends to develop the combined parcels. The sale proceeds will provide part of the funding for the Octavia Boulevard Project.

Former Embarcadero Freeway Parcel: Upon demolition of the Embarcadero Freeway, the State conveyed this vacant parcel consisting of 34,057 square feet to the City. In June 2003, the City sold the parcel to the San Francisco Redevelopment Agency for $10,034,140. The property is located within the Transbay Redevelopment Survey Area, and the Agency proposes to develop the site with affordable housing.



Lease of 1155 Market Street for PUC: An opportunity for consolidation of the Public Utilities Commission staff from various locations to 1155 Market Street presented itself when a tenant vacated seven of the eleven floors at 1155 Market Street. On behalf of PUC, which already occupied four floors or 53,138 square feet, the City entered into a new lease with 1155 II, LLC to lease the balance of the office space or 86,818 sq.ft. for a combined total area of 139,956 sq.ft. The lease has an initial term of five years with two five-year options. The rent is $24/sq.ft./yr. flat, net of electricity over the initial five-year term.

Real Estate Information System (REIS) Pictometry Project: The REIS project was started by the Real Estate Division in 2001. Its purpose is to provide an accurate inventory of real property and facilities for all properties owned or under the control of the City and County of San Francisco. On a limited test basis, it is currently providing some city departments access to property information through the city's wide area network (WAN). Ultimately it will deliver basic level property and facility information to the citizens of the City and County of San Francisco over the World Wide Web.

This year phase one of the Pictometry project was completed. It is a component of the Real Estate Information System, and in addition to the system's orthographic photos. The city now has color aerial photos for all of San Francisco. These photos were taken from several oblique angles, showing the sides of buildings or facilities rather than just the standard aerial roof top shot. In addition, city staff can now view a building from a north, south, east, or west orientation rather than the standard north perspective. The photo below is a sample of the Pictometry photos.

REAL ESTATE DIVISION

COUNTY BOUNDARY OF SAN FRANCISCO (CITY AND COUNTY) AS

DEFINED IN SECTION 23138 OF THE GOVERNMENT CODE OF CALIFORNIA

Beginning at the southwest corner, being the northwest corner of San Mateo County, in the Pacific Ocean, on the extension of the northern line of T.3 S., of Mount Diablo base; thence northerly along the Pacific Coast, to its point of intersection with the westerly extension of the low water line on the northern side of the entrance to San Francisco Bay, being the southwest corner of Marin County and northwest corner of San Francisco County; thence easterly, through Point Bonita and Point Cavallo, to the most southeastern point of Angel Island, all on the line of Marin County; thence northerly, along the easterly line of Marin County, to the northwest point of Golden Rock (also known as Red Rock), being a common corner of Marin, Contra Costa, and San Francisco Counties; thence due southeast four and one-half statute miles to a point established as the corner common to Contra Costa, Alameda, and San Francisco Counties; thence southeasterly on the western line of Alameda County to a point on the north line of T.3 S, R.4 W, M.D.B. & M.; thence westerly on the township lines and an extension thereof to the place of beginning. The islands known as the Farralones (Farallons) are a part of said City and County of San Francisco.

GOVERNMENT CODE OF CALIFORNIA – SECTION 23075:

"In," "to," or "from" the ocean shore means a point three miles seaward from the shore. "Along," "with," "by," or "on" the ocean shore means on a line parallel with the three miles seaward from the shore.

Location of Steeple on San Francisco City Hall Dome (as per U.S.D. & G. Survey):
North Latitude 37° 46' 45.629" Longitude 122° 25' 05.286" West.
